Ž What is the official title of this course?
 The course title is “Workplace Senior First Aid”.
This is a Senior First Aid Course.

Ž What are the standards of this course and how are they maintained? The standards are set and maintained by using the Australian Resuscitation Council’s (ARC) Policy Statement.

Ž Where is this course recognised? The course is recognised in NSW, ACT, Victoria, South Australia, Northern Territory, Western Australia and Tasmania.

Ž Is this course recognised by WorkCover in NSW? Yes, the registration number is FA9992.

Ž What will I be able to do when I complete this course? The course provides you with the knowledge and skills that enable you to prevent, identify and manage life threatening emergencies.

Ž What training material will I use? When you book and pay for your course you will receive a comprehensive manual. The manual contains all the administrative and training requirements you need to study and complete your course.

Ž Why do I spend only one day in the classroom? This course is based on the “Open Learning Principle”. This means you can study a home for two days and spend only one day in the classroom.

Ž How do I work through the study material? The manual is divided into chapters. You study 1 chapter at a time. There are self-check question help you. After you have studied the material complete a questionnaire. This will help you to determine how much you have learnt. When you have completed all the modules you attend class. The Instructor will revise your answers and help with the practical work. It is an intelligent way to learn Senior First Aid at a pace that suits you.

Ž I have no experience in First Aid, how difficult is it going to be to learn? The manual you receive is designed to ensure that students a levels are able to achieve the competencies required. It is well illustrated and the language in the course is easy to understand. The questionnaires are clear and well laid out. Your manual will answer all the questions you may ha We also encourage you to ask questions during practical session in class. Safecity’s courses are conducted in a friendly and supportive atmosphere.

If you have any difficulties with your workbook, instructors are available by phone to help.

Ž I have time and I want to complete the full course in a classroom setting. Safecity Instructors are qualified to conduct traditional Senior First Aid Courses. Contact us to find out how to enrol in one of these courses.

Ž **Who will be my instructor/facilitator?** Your instructor from Safecity has been trained under strict guidelines. All of our instructors hold Senior First Aid Instructor Qualifications.

Ž **I need a Senior First Aid Certificate to satisfy the requirements of the NSW Security Industry. Is this course recognised?** Yes

Ž **How much will the course cost?** Safecity's Workplace Senior First Aid Course costs \$120. The cost includes your training manual, tuition, assessment and an attractive wall certificate.

Ž **How do I enrol?** Send your order form and course fees to Safecity. We will deliver the training manual by courier or registered post. **Be sure to enrol in the course at least four days before it starts.** This will give you time to complete the self-assessment competency tests.

Ž **What happens if I don't complete the course or am unable to pass the assessment?** If you are genuinely experiencing difficulties, Safecity will allow you to enrol in the following course free of charge.

Ž **I have problems learning or I have a disability.** Contact Safecity, in most cases we will be able to help you overcome the problem. Otherwise, we will be able to refer you to an appropriate training organization.

Ž **How long does the accreditation last?**

As in all other Senior First Aid Courses the accreditation lasts three years. However, Safecity recommends you attend a CPR refresher course at least once a year. This may be conducted in one day.
